ACTIVITY:

This is a great activity to use as a starter as it covers some basic facts about King salmon in a fun way by creating a chatterbox. Students can use the existing chatterbox template or use just the outline and put their own information on their chatterbox.

ACTIVITY SHEET

King salmon chatterbox

Cut out the chatterbox and make it up. Or you can trace the outline and put in your own information. Use it in pairs to learn about King salmon.

MAKE A CHATTERBOX...

...and find out how much your friends and family know about salmon

INSTRUCTIONS:

Start with a square piece of paper by cutting along the dotted line below.

STEP ONE

Place paper print side down. Fold it in half in one direction, then in half again in the other direction. You should now have a small square. Unfold and lay flat.

STEP TWO

Bring each corner into the centre point and crease. Be sure not to overlap the flaps. Flip the paper over.

STEP THREE

Bring the four new corners into the centre point and crease. Flip over again.

STEP FOUR

Place the thumb and pointer finger of each hand into the folds. Bring all the points together. You now have a chatterbox.
